

INNOVATIONS FOR LIVING™

WOODCREST™ & WOODMOOR™ COLLECTION

Inspired by the natural beauty of the West

INNOVATIONS FOR LIVING™

A natural complement to your home

Majestic mountains. Vast deserts. Rugged coastlines. The Woodcrest & Woodmoor Collection from Owens Corning captures the look and feel of the West. It crowns your home with beauty that really stands out—yet blends in well with the surrounding landscape.

Woodcrest™ Chestnut®

INNOVATIONS FOR LIVING™

As rugged as it looks

Reminiscent of wood shake—rustic hues and deep dimension define the Woodcrest & Woodmoor Collection. Inspired by nature, its style also allows you to express your own true nature. Choose from a broad palette of seven down-to-earth colors to achieve just the look you want for your home. And both products in this collection—Woodcrest shingles and the thicker Woodmoor shingles—provide the superior strength and durability you'd expect from Owens Corning, a long-time leader in building materials. All this, plus our outstanding warranties, will ensure that your roof remains in peak condition for years to come.

- Deep shingle tab exposure creates a thick, textured appearance
- Careful color blending results in a striking three-dimensional effect
- Choose from a broad palette of seven rich, natural colors
- Unique complementary color highlights add visual appeal
- Laminate construction provides superior strength and durability
- High Style® Hip and Ridge Shingles—available in matching colors—add extra protection and dimension to your roof's ridge line.

Guaranteed to last

[†] Owens Corning strives to accurately reproduce photographs of shingles. Due to manufacturing variances, the limitations of the printing process and the variations in natural lighting, actual shingle colors and granule blends may vary from the photo. The pitch of your roof can also impact how a shingle looks on your home. We suggest that you view a roofing display or several shingles to get a better idea of the actual color. To accurately judge your shingle and color choice, we recommend that you view it on an actual roof with a pitch similar to your own roof prior to making your final selection. Color availability subject to change without notice.

ASTM E 108, Class A Fire	UL 997 Wind

PROTECT YOUR HOME FROM THE TOP DOWN WITH OUR COMPLETE ROOFING SYSTEM

Your roof is more than just shingles. It's a complete system that also requires hip & ridge shingles, ventilation and waterproofing underlayment products. Each of these elements plays an important role in protecting your home, and they work together to ensure the beauty and durability of your roof.

HIGH STYLE® HIP & RIDGE SHINGLES

Protect ridge vents from weathering

- Cover your roof's ridge line
- Add extra protection and a more dimensional look
- Are compatible with all Owens Corning shingle products

VENTSURE® VENTILATION PRODUCTS

Prevent structural damage

- Fit between the top of your roof and its hip & ridge shingles
- Reduce moisture condensation in winter and excessive heat in summer to help guard against premature aging and deck warping
- Help keep air moving through the attic, balancing outdoor and indoor temperatures

WOODCREST™ & WOODMOOR™ SHINGLES

Provide protection and beauty

- Function best when used as part of a complete roofing system
- Ensure moisture resistance with weathering-grade asphalt coating
- Offer structural durability with a strong Fiberglas® mat core
- Colormatched Woodstart™ Starter Shingles provide a beautiful, straight finished edge for the roof

WEATHERLOCK® WATERPROOFING UNDERLAYMENT PRODUCTS

Prohibit roof deck damage

- Act as a protective layer between your roof deck and shingles
- Are scientifically engineered to provide a solution to every application need with four uniquely designed waterproofing underlayments
